

## SAVISION ACHIEVES A MICROSOFT GOLD COMPETENCY

**Amsterdam, Netherlands – June 25, 2015** – [Savision](#), a market leader of Business Service and Cloud Management solutions for Microsoft System Center 2012 R2, demonstrated the ability and commitment to meet Microsoft Corp. customers' evolving needs in today's dynamic business environment and distinguished itself within the top 1 percent of Microsoft's partner ecosystem. To qualify for the certification, Savision's solutions were tested by Microsoft to ensure full compatibility and smooth performance. In addition, the certification process required Savision's customers to complete a survey to rate their experience with Savision's solutions. The results of the survey revealed that 100 percent of the customers said they were satisfied with the quality of Savision's solutions, and would recommend Savision's solutions to a friend or colleague.

Savision's solutions, [Live Maps Unity](#), [Cloud Reporter](#) and its free tools [Dashboards by Savision](#) and [Cloud Advisor](#), enable faster, more efficient Cloud and Business Service Management of System Center 2012 R2's key processes. "We have always strived to provide our customers with the most agile and user-friendly solutions for System Center 2012 R2 to transform complex IT data into meaningful, well organized and relevant information," said Diana Krieger, CEO, Savision. "Being named a Microsoft Gold Certified Partner further solidifies our position as a market leader."

Used by organizations of all sizes, Savision's solutions are constantly updated to reflect changes in Microsoft's solutions and to meet rigorous customer requirements. "We are always working to add new functionality and value to our solutions, so we can exceed our customers' expectations," commented Rob Doucette, CTO of Savision. "The Microsoft Gold Certified Partner status gives us easier access to the Microsoft team, enabling us to bring to market distinctive solutions for System Center 2012 R2 even faster than before."

Savision's team will be attending the 2015 Microsoft Worldwide Partner Conference to establish and maintain their relationship with partners. [Contact](#) the Savision team in case you would like to connect during WPC in Orlando, FL July 12-16.
